

The 10th Annual Bearkat Bash is set to take place Saturday, September 10, 2011. Founded by Paula Hagerman, the popular family and community event is sanctioned by USA Track and Field and has approval from the Harris County Commissioner. This non-profit race/walk benefits the Klein High School After Prom Extravaganza (APE) as well as organizations within the high school setting.

We look to the surrounding community merchants and businesses to help us defray the cost of running the 2011 Bearkat Bash. It is a cost effective way to publicize your business with minimum effort. We expect around 800 or more runners this year. Donations can be made several ways – monetary, in-kind, or through services.

We are requesting you; _____ consider sponsoring the 2011 Bearkat Bash with the following donation:

_____.

Or

I, _____ would like to sponsor the 2011 Bearkat Bash with _____.
